PLAINTIFF’S VOLUNTARY DISMISSAL OF ACTION

Pursuant to Rule 41(a) of the Rules of the U.S. Court of Federal Claims (“RCFC”), Plaintiff Transworld Systems, Inc. (“TSI”) respectfully notifies the Court that it is dismissing the above-captioned bid protest action without prejudice based on the U.S. Department of Justice’s notice of corrective action (ECF 63, 67) and representations regarding the nature and scope of the corrective action to counsel for Plaintiff. Because Defendant has not served an answer, motion for summary judgment, or motion for judgment on the administrative record, no Court order is required to effectuate this dismissal. *See* RCFC 41(a)(1)(A)(i). TSI reserves all rights to challenge the results of the pending corrective action should it be necessary.

Respectfully submitted,
